

05 October 2020

Dear Parents / Carers

Please could everyone try to log onto Education City in the next few days using the log-in details in the homework folder. Only a handful of children have actually logged in to play the games, and I would like to check that everyone can access the site in case of any school closure in the future.

I have put a game for Reception children to play, under the 'homework' tab. I will then be able to see who has been able to log-in to play the game.

Year 1 children – homework is set on Education City every week. Please encourage your child to have a go at the games, which will support the work they do in class. Thank you to all those who have already done this.

Kind Regards

C Ingham
